

LHBA Street View Committee Charter

The Board of Directors of the Linden Hills Business Association has established the Street View Committee to provide assistance and oversight in the following areas of expertise.

Role and Responsibilities of Committee

The committee is in a formation state and will evolve to address neighborhood needs, but immediate goals are as follow:

- Encouragement and oversight of business district garden plantings
- Monitor green space and garden maintenance
 - Potential formation of LHBA Gardening club, neighborhood clean up days, Mulch and Weed Eater campaigns, etc.
- Budget for expenses of green space maintenance to be served by LHBA
- Serve as Business Association to liaison to SSD District, attend meetings
- Develop and launch neighborhood identity signage campaign
- Budget for, design and implement seasonal décor of Linden Hills business nodes

Mission of Committee (Purpose, Primary Goals, Objectives)

- The Street View committee is a vehicle through which the LHBA can work with neighborhood business owners and residents to assist and encourage the upkeep and maintenance of Linden Hills business district nodes.
- The committee has been formed not only to address plantings and green area upkeep, but also as a vehicle for the promotion of the unique and distinctive character of the neighborhood through branding campaigns, identity signage and seasonal décor.
